

# TONY ROOK —Band—

ORIGINAL CONTEMPORARY  
BLUEGRASS

## BAND BIOGRAPHY

Tony Rook Band features Terry Johnson, Graham Sones, Tom Schaefer, Derek Birkeland and its namesake, Tony Rook. The quintet added two members to their band in 2020 and has achieved massive success across the Midwest, as well as success in key markets across the nation. Original music is their focus, with over 9 original hits in their recently released album, Reflections. Their sound highlights tight trio vocals and complex harmonies; on stage, this band gives a high energy performance that brings a universal appeal to the world of bluegrass.

## THE BAND

*"Rook and company are obviously adept at playing their instrumental arrangements, but it's the mix of melodies that allow these songs to stand out."*
